**Re: *Ex Parte* Presentation, CG Docket No. 10-213, WT Docket No. 96-198, CG  
Docket No. 10-145**

Dear Ms. Dortch:

On December 7, 2012, Krista Witanowski, Assistant Vice President, CTIA – The Wireless Association® (“CTIA”), Matthew Gerst, Counsel, External & State Affairs, CTIA, and Tara Corvo, Member, Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., met with Karen Peltz Strauss, Deputy Bureau Chief, Consumer and Governmental Affairs Bureau (“CGB”); Gregory Hlibok, Chief, Disability Rights Office, CGB (who participated by telephone); Rosaline Crawford, Disability Rights Office, CGB; and Eliot Greenwald, Disability Rights Office, CGB.

Consistent with its comments in the above-captioned proceedings,<sup>1/</sup> CTIA discussed its belief that section 718 of the Twenty-First Century Communications and Video Accessibility Act of 2010 (“CVAA”) should be implemented in a manner consistent with section 716, including affording providers and manufacturers flexibility in the manner in which they comply with section 718’s accessibility mandate. The parties to the meeting also discussed the need for prompt Commission action to allow affected entities sufficient time to prepare and implement the accessibility requirements, as well as how best to implement the certification and contact information requirements for advanced communications services.

Pursuant to section 1.1206 of the Commission’s rules,<sup>2/</sup> this letter is being electronically filed via ECFS with your office and a copy of this submission is being provided to the meeting attendees. Please let the undersigned know if you have any questions regarding this filing.
